

Ricky Iskandar, S.I.kom., CPR., CCM.

Assessor and Certification

Ricky Iskandar is a communications and business professional with over a decade of experience across corporate communications, brand marketing, public relations, stakeholder engagement, sustainability, and project management.

He is a Certified Communications Management Professional accredited through BNSP and LSP Manajemen Komunikasi, a Certified Public Relations Professional by the PR Society of Communication Management of Indonesia, and a BNSP-Certified Competency Assessor.

He has worked with technology companies, nonprofit organizations, professional institutions, and start-ups, leading corporate reputation, media and government relations, strategic communications, partnerships, sustainability initiatives, and community programs.

Ricky combines strategic communication expertise, stakeholder management, and practical execution to help organizations strengthen their reputation, build meaningful relationships, and achieve sustainable growth.
